•ternet access.
Outside the clubhouse a large, tropically landscaped sundeck area offers a full range of outdoor activities including a whirlpool spa, entertaining bar and swimming pool with a cascading fountain. Nearby is a shaded barbecue area, tennis court and volleyball court.
Well-thought-out amenities even include designated car wash and dog walk areas. The community also features an attended gatehouse entryway for controlled access. Carports as well as single- and double-car parking garages will also be available for purchase.
Formerly The St. James Club, Bacara was purchased by Cendant Corp. For more than 20 years, developing premier residential properties in ideal locations has been the cornerstone of Avalon Corp.'s success. Avalon projects to
